DESIGN

Part-Time Temporary Resident Life Assistant

Boston College | Mar 2024 - Present | Chestnut Hill, MA
Helping students in Boston College's Resident Life Office

In this role, I had a few hats. I was George Arey's assistant in which I answered his phone and scheduled meetings for him. I am a professionally trained designer so they used my experience on projects throughout the office. Making a more consistent design for all 14 resident communities' weekly newsletters. Redesigning pamphlets, search profiles for each job in the office, and a year in review.

Graphic Design Intern

Summer @ BB&N | Jun 2023 - Aug 2023 | Cambridge, MA
Day camp for kids kindergarten to high school

While working as a camp counselor, redesigned the daily camp schedule to make it more user friendly.

Product Design Intern

Renewables.org | May 2022 - Jul 2022 | Remote
Helping to change the future of renewables

Suggested updates to website to attract investment in global south renewable energy. Designed potential map icons to show potential impact of investment.
